II. OTHERS

A. Introduction to Intelligence Tutorial

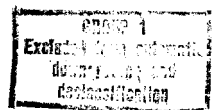

AIB has been informed that TSD has asked the Intelligence School to conduct a special tutorial Introduction to Intelligence Course for several TSD employees from 10 - 12 August. The IS has agreed to accommodate this request.

B. CS Name Check Course

The CS Name Check Course scheduled to begin on 28 June had only seven registrations at the end of our reporting period last week and request for cancellation of the course was considered at that time. However, the enrollment increased to 24 this past week and the course will run as scheduled.

R/TR suggested to [] Chief In- 25X1
structor, that he prepare an article for the OTR Bulletin on this
course. He agreed to do so and showed me a rough draft of a
proposed article the same day. [] said that he would 25X1
like to check the article with the appropriate offices in the DDP
for approval before he submitted it for publication in the Bul-
letin. In a later discussion [] said he was interested 25X1
in having this article published in an FI series so that it would
reach a maximum audience among operational people. It was
agreed that information about this course could be publicized in
both an FI publication and the OTR Bulletin.
